Re: Antonio Costa - 2297

To Whom It May Concern,

In relation to the above named employee, I can confirm the following;

1. As Service Coordinator, I was his direct line supervisor as a Care Support Worker in our Greystones Service from January 2011 up until his departure from the organisation in May 2013.
2. Antonio supported 10 service users with various levels of physical disabilities in all areas of daily living.

Antonio was an excellent practitioner of providing a person-centred approach and of promoting individualised supported living. With his excellent communication skills he connected with all our service users and his fellow colleagues in a personal and respectful way.

It is without hesitation that I would endorse Antonio for any role within the social care sector, he would be an asset to any team or organisation and has my highest recommendation.
